- Workshop praised for cutting-edge academics, live demos, and excellent organization.

23rd Annual Thyroid Workshop – Delegate Feedback

- Dr. S – Wonderful workshop from cadaver dissection to live surgeries; gained valuable tips and safe operating ideas; heartfelt thanks to faculty and organizers.
- Dr. Preeti – Superbly planned and executed; every surgeon should attend at least once; academics, cases, hospitality, and arrangements were outstanding.
- Dr. Darakshan Parveen – Best academic workshop ever; excellent direct interaction with updated faculty; gratitude to all mentors.
- Dr. Shakti Singh – First-time attendee deeply impressed; seamless arrangements and hands-on mentorship during dissection; valuable guidance from faculty.
- Dr. Pradny Naik & Dr. Sonu Singh – Excellent event; intricate details explained with personal touch; logistics well arranged; gained confidence and knowledge.
- Dr. Kiran Kulsange – Beautifully arranged workshop; strong academics and discussions; grateful to faculty for guidance.
- Dr. Amit Maiti – Eye-opening practical tips on handling parathyroid and nerves; lectures excellent; taking back sweet memories and lifelong learning.
- Dr. Harsh Vardhan Shukla – International-level workshop in a remote area; fabulous cadaver dissection, interactive sessions, flawless AV; suggested adding sternotomy in future.
